### **Past (last 5 months) and Planned Activities**

- Since the Chapter does not have a President, the activities (generally carried out by the President) are shared among board members.
- There are two board positions open (secretary and director). We advertised those positions and are planning to invite applicants to attend the upcoming AGM (where nomination will take place) in May.
- The second board meeting was held on November 19, 2013; the third board meeting was held on January 23, 2014; a special teleconference was held on February 6, 2014; and the fourth board meeting will be held on April 8, 2014.
- The Task Group for Counsellor Regulation – the Chapter representatives are Cathleen Dyer and Wendy Woloshyn.
  - On February 6, we held a special meeting to discuss issues brought to our last regularly scheduled board meeting on January 23, 2014 by Cathleen Dyer regarding the formation of FACTBC. In principle the Board approved the Core Principles and Constitution and Bylaws for FACTBC. Cathleen Dyer will report back to the Board on April 8, 2014.

- The Board will discuss and resolve a proposed change to the Chapter bylaws regarding the duration of a Chapter President on April 8, 2014.
