Nominations for the *Faces of Mental Illness* Campaign are **NOW OPEN!**

The Canadian Alliance on Mental Illness and Mental Health (CAMIMH) is seeking nominations from the public for the *Faces of Mental Illness* campaign. The campaign selects five individuals and provides avenues for them to share their experiences of living with mental illnesses, and finding recovery. These stories are shared through the dissemination of hundreds of thousands of pieces of promotional materials, in profile videos and through media and political engagement. Self-nominations are welcome!

To nominate a Face of Mental Illness, please visit camimh.ca for details.
Submissions will be accepted until May 29th, 2014 5:00pm EST
