ATTENTION GRADUATING COUNSELLORS!

CCPA recognizes that it's not easy getting your career started. We would like to encourage you to keep connected to counsellors across Canada!

It is for these key reasons, that the Membership Services Committee developed the **Student Incentive Program!**

When you become certified with CCPA after graduation, your membership fee will be waived for one year and you will only have to pay for certification. You'll receive both one year of membership AND your Canadian Certified Counsellor (CCC) designation, and **save \$170!**

TO QUALIFY:

- ✓ Hold student membership with CCPA for at least one year.
- ✓ Apply for and be granted the Canadian Certified Counsellor designation (CCC).

****When you apply for and are granted your certification, your membership fee of \$170 will be refunded for one year. Please note that after this first year, the regular annual membership fees of \$170 plus the \$75 certification maintenance fees will apply.*

This offer is for graduating students only, is not retroactive to previous graduates and cannot be granted if you have allowed your membership to lapse.
