What do we hope to achieve?

- Strengthen the professional identity of those in the counselling field
- Connect practitioners with one another for support and collaboration
- Develop connections with other counselling-related associations in the region
- Promote professional development activities throughout the region
- To promote and be involved in public, organizational and legislative support of professional counselling and psychotherapy in Alberta and Northwest Territories, including efforts towards provincial/territorial regulation of the profession.
- Assist members in northern and remote locations to obtain resources and support

How can we get involved?

To achieve these goals, we need an executive elected from the membership. This requires individuals who want to assist with achieving these goals to take a leadership role—it's fun and a great way to get involved—care to join us?

Our chapter Executive consists of:

- President
- President-Elect
- Past-President
- Secretary/ Treasurer
- Professional Identity and Advocacy Director
- Communications and Professional Development
- Regulation Coordinator
- Two (2) Members at Large
- Two (2) Student Liaisons
- Board Liaison/ Regional Director

Everybody loves a great conference, workshop, or resource-especially when it is free!

Looking forward to a great upcoming conference or workshop? Found a resource worth its weight in gold? Why not share the information with your Alberta/NWT chapter colleagues?

All you need to do is to pass them onto the chapter [<https://www.ccpa-accp.ca/chapters/alberta-nwt/>] for inclusion in the next newsletter and/or being posted on our website.
Easy, right?

Just send a short summary, or “snapshot” of the resource you wish to share, with sufficient notice for events. Submissions should hold relevance to the discipline of counselling, especially as it relates to practitioners, Clinical supervisors, Counsellor educators, and counselling students in our region.

One more way for us to stay connected!
