Workshop Objectives

Clinicians will gain new skills in assessment, intervention and relapse prevention, and dramatically increase effectiveness in helping couples manage conflicts and strengthen friendship and intimacy.

Participants will be able to:

1. Summarize the research that allows prediction of future relationship stability with 94% accuracy
2. Describe the seven levels of the Sound Relationship House theory
3. Conduct a couple's therapy assessment using elements of the couple's narrative, the Oral History interview, written questionnaires, observations of conflict, and individual interviews
4. Describe two interventions for each: to help strengthen a couple's management of conflict, to enhance a couple's friendship system; and to explore a couple's system of shared meaning.

What you will receive:

- ◆ Great price including an online version of the manual, valued at \$250-375
- ◆ Immediate access to online videos creating greater training time flexibility
- ◆ Live training from two Master Trainers with a combined 70 years of clinical experience
- ◆ 30% more time for consultation than the live teaching format
- ◆ Priority access to future Level III training on the East Coast
