

CANADIAN COUNSELLING AND  
PSYCHOTHERAPY ASSOCIATION

L'ASSOCIATION CANADIENNE DE  
COUNSELING ET DE PSYCHOTHÉRAPIE

*Members are, through affiliation, in contact with thousands of business organizations across Canada. CCPA works to ensure the continued growth and success of the counselling profession in Canada by providing networking opportunities, professional development, and research support. Essentially, CCPA is the central informational resource for Canada's vibrant counselling and psychotherapy profession and offers members as well as non-members several advertising opportunities.*

### **ADVERTISING WITH CCPA:**

Advertisements are considered as any of the following:

- Professional development activities (e.g. workshops, seminars, conferences, events, books available as Independent Study, courses, etc.)
- Career Postings
- Office Space Listings
- Calls for Research Participants
- Services for clients or counsellors/psychotherapists

**Please note that all advertising submissions are subject to CCPA approval. Advertisements are booked on a first come, first serve basis and spots will only be reserved upon receipt of a completed Advertising Contract. We recommend reserving well in advance as spots book up quickly. For questions, please refer to the Contact Information section under each Advertisement option.**

The publication of any advertisement by CCPA, is neither an endorsement of the advertiser, or of the products or services advertised. CCPA is not responsible for any claim(s) made in an advertisement. Advertisers may not, without prior consent, incorporate in a subsequent advertisement, the fact that a product or service had been advertised in a CCPA publication.

The acceptability of an advertisement for publication is based upon legal, social, professional, and ethical considerations. CCPA reserves the right to unilaterally reject, omit, or cancel any advertising that it considers to be not in the best interest of these considerations.
