### 6. Attestation: Please read carefully for important information regarding your application

I certify that the information provided in this application is accurate and complete to the best of my knowledge and belief. I understand that the outcome of my application depends upon my demonstration of how my application satisfies the required criteria, including presenting relevant coursework in Section 3 for consideration by the Registrar. I will practice in accordance with CCPA's Code of Ethics. I have included a valid criminal records check with vulnerable sector screening conducted within the last 12 months or will submit one to CCPA shortly. I understand that any certification granted to me by the Canadian Counselling and Psychotherapy Association does not in and of itself specify licensure to practice counselling for a fee, monetary or otherwise. If I am granted certification by CCPA and practice counselling as a private practitioner, I do so at my own risk. I hereby release CCPA from any and all liability and/or claim that may arise from any decisions to practice privately as a Canadian Certified Counsellor. For research and statistical purposes only, data resulting from my participation in this process may be used in an unidentifiable manner.
